

# MODEL 9620 SPECIFICATIONS

## Remote Display

### Features

The Model 9620 Remote Display is designed to display up to six 2-digit numbers at a time. The Model 9620 Display has 2.5 inch tall digits viewable up to 80 feet and is encased in an aluminum extruded cabinet. Optional ceiling mounts are available in a single, double, or triple cluster for easy mounting in the center of or around the peripheral of a large retail area. Outdoor displays are also available.

### Operation

The Model 9620 Remote Display is designed to operate with the Microframe Model 4060 or 9060 Keypad. The signal and power is received from a single cable connected to the Keypad. Up to four displays may be connected directly to the Keypad.
